Parents are required to contribute to CCoFPA's efforts throughout the season. Please mark the following areas of interest in the order of your preference for assisting next season by placing numbers one (1) through fourteen (14) in the appropriate boxes. Depending on our membership, you may be required to serve in more than one capacity (one from the first section and one from the second section). All parents are expected to help critique IE pieces and debate rounds.

- I will help anywhere needed
- Speech Instructor • Junior Track  
(Two people may share this responsibility)
